

POST-CARE INSTRUCTIONS FOR MICROBLADING

OVER THE NEXT 10 DAYS THE CLIENT IS REQUIRED TO PAY FULL ATTENTION TO THE FOLLOWING

AM AND PM FOR THE FIRST 3 DAYS:

With clean hands, wash your eyebrows with mild soap (e.g. Cetaphil, baby shampoo) and water. Pat dry and let air dry completely. Apply with a clean cotton swab a small amount of recommended after care balm or oil (e.g. Coconut oil, grapeseed oil). Do NOT use Vaseline, aquafor or polysporin.

_____ (Initial)

AS NEEDED DURING THE ENTIRE HEALING TIME:

Apply with a clean cotton swab a small amount of recommended after care balm or oil 3-6 times per day.

_____ (Initial)

Do not touch the scab in any other case except while cleaning.

_____ (Initial)

If skin is oily or sweaty make sure you clean the skin when necessary (Witch Hazel if necessary).

_____ (Initial)

Please do not use any other creams except the ones recommended to you in order to prevent possible infections or allergic reactions.

_____ (Initial)

In the first two weeks after the treatment avoid swimming pools, sun bathing, tanning beds (no sun or tanning for 30 days), sauna, beauty treatments and intense training accompanied by sweating (sport activities), contact with dirt and dust.

_____ (Initial)

La Unique Laser Centre and its staff and its technicians are not liable in case of improper post-treatment care.

_____ (Initial)

If you think you are showing signs of infection, seek medical attention immediately and call us.
